

Family Camp 2009

August 12th—August 18th

What: A chance to experience the magic of Camp Mishawaka as a family!

Where: On the shores of Lake Pokegama

When: Any time between August 12th– August 22nd, 2009. (Three day minimum.)

For more than 40 years Mishawaka Family Camp has been a summer staple, providing families an opportunity to experience the joys of summer camp—together!

Whether you want to fish, sail, play tennis, or just take a nap away from phones and email, Family Camp is for you. Activities are designed for all members of the family, and the programming offers a nice mix of activities, social time, and family time.

If you miss your camp days, or just want to discover what Mishawaka campers experience in the summer, then Family Camp is calling. In addition to regular camp activities, special family camp events include Island Day, The Critter Race, Mississippi River Canoe Trip, and Happy-Hour!

Families are housed in camper cabins complete with plumbing and electricity. A rustic but comfortable experience for all! Three meals are served daily, and the week includes several barbeques. Days typically end with a sunset sauna and campfire, complete with s'mores and song!

The "Dean" of Family Camp, Charles Thompson, and friend.

A cool treat on a warm day!
