A NOTE ABOUT CLOTHES AND PACKING

Mishawaka requires no special uniform, though each article of clothing should be clearly marked with a name tag or laundry pen. Most clothing losses are due to improper marking. All items purchased at the camp store will be marked. Laundry service is provided once a week and is returned the following day.

Campers are not encouraged to bring boom-boxes, cds or walkmans. If they choose to do so they should be small and their use will be limited to "in-cabin" only. Mishawaka assumes no responsibility for the loss or breakage of such items and they are brought at the camper's own risk.

We suggest that campers pack in duffel bags when possible, though a small foot-locker or suitcase is also fine.

Please do not exceed two checked bags if you are flying. As space is often a consideration in the cabin do not bring needless items.

WHAT NOT TO BRING

The following items are not allowed to be used by campers. If they arrive with the camper, or are sent to the camper, they will be stored until the camper leaves or returned home at the Parents' expense.

Food, Candy, or Soda-Pop
Video Games
Cell Phones
Computers
